The Supplemental Questionnaire

NATIONAL LONGITUDINAL STUDY OF THE HIGH SCHOOL CLASS OF 1972

Prepared for the
DEPARTMENT OF HEALTH, EDUCATION, AND WELFARE
BY RESEARCH TRIANGLE INSTITUTE • RESEARCH TRIANGLE PARK, NORTH CAROLINA

GENERAL INSTRUCTIONS

You heard from us for the first time in 1972 when you were about to graduate from high school. At that time we asked you about your plans for the future, and about how useful you thought your high school education had been. Since that time we've gotten back in touch with you three times to ask about how things are actually working out for you. Now we'd like to check in on you again.

What we're trying to do with the Supplementary Questionnaire is find the answers to certain questions about your work or your education that were not completed in your earlier questionnaires.

You will need to answer the first question in each section, but you may not need to answer all the questions in every section. You may be able to skip most of some sections. We have designed the questionnaire with special instructions beside responses which allow you to skip one or more questions. Follow these instructions when they apply to you.

Read carefully each question you answer. It is important that you follow the directions for responding, which are:

- (Circle one.)
- (Circle as many as apply.)
- (Circle one number on each line.)

Sometimes you are asked to fill in a blank—in these cases, simply write your response on the line provided. Where you are asked to circle a number, make a heavy circle. Here is an example:

Why did you leave high school?	(Circle one number on each line.) My Reasons	NOT My Reasons
Graduated	(1)	2
Entered college	1	(2)
Went to work	(1)	2

Many questions ask what you were doing during a specific time period; for example, "What were you doing during the first week of October 1976?" As you go through the questionnaire, please watch for these time references and make sure you are thinking about the correct time period for each question.

This questionnaire is authorized by law 20 USC 1221e-1.

The Federal Privacy Act of 1974 requires that each survey respondent be informed of the following:

(1) Solicitation of information about the respondent as detailed in the questionnaire is authorized by Section 415 of the General Education Provisions Act as amended (20 USC 1226b).

(2) The respondent is subject to no penalty for not providing all or any part of the requested information.

(3) The purpose for which this information is to be used is to provide statistics on a national sample of students as they move out of the American high school system into the critical years of early adulthood and relate these statistics to postsecondary educational costs and financial aid and other factors on the educational, work, and career choices of young adults.

(4) The routine uses of these data will be statistical in nature as detailed in 9 in Appendix B of the Departmental Regulations (45 CRF 56) published in the *Federal Register*, Vol. 40, No. 196, October 8, 1975.

When you complete this questionnaire, please place it in the post-paid, addressed envelope provided and mail it to:
